ITEM DESCRIPTION

Presentations to City Council and Park Commission members to provide updates for 1. Parks, Recreation and Open Space Master Plan, 2. Central Park, 3. Southwest Park, and 4. Conference Center/Golf Course Clubhouse designs and plans.

BACKGROUND

Staff will present current and ongoing projects to City Council and Park Commission outlining plans, design elements, potential timelines and steps moving forward.

1. Parks, Recreation and Open Space Master Plan

Staff will present an update regarding the implementation of the Parks, Recreation and Open Space Master Plan. The PROS Master Plan was adopted in May 2026 and staff has identified timelines for the strategic action items to begin implementation of the plan.

2. Central Park Update

Staff and Stantec Consulting Services will present an overview and update of the renovations to Central Park. Staff will recap the work that has been performed and Stantec will share concept designs for the next phase of the park, which will be the gathering space area.

3. Southwest Park

Kelly VanElders with Stantec Consulting Services and Tory Rolf with Landscape Structures will present an update regarding the design of Southwest Park. The presentation will include updates on the designed amenities in the park, wedding/event venue and playground.

4. Conference Center/Golf Course Clubhouse

Brian Garvey with SFS Architecture will provide conceptual designs of a potential civic gathering space that could be utilized for performances, festivals, and other community events. SFS will also present concept designs for renovations to the Adams Pointe Golf Course Clubhouse which include an expanded kitchen/bar area, patio seating enhancements, building addition to include renovated restroom facilities and golf simulator areas, as well as renovations to the existing driving range.
