CALL MEETING ORDER

Vice Chair Shaver called the meeting to order at 8:17 a.m.

APPROVE APRIL 17, 2024 MINUTES

Member Sampson moved to approve the minutes of the June 20, 2024 meeting of the Economic Development Council. The motion was seconded by Member Lair and carried unanimously.

UPDATES:

A. RETAIL STRATEGIES

Senior Director Mallon gave the Council an update on Retail Strategies and showed the presentation they did at the City Council Meeting on July 15, 2024. Mr. Mallon discussed that Retail Strategies represented the City at shopping conferences to bring business to the City. The presentation showed that the city pulls customers from east past Odessa, south of Lone Jack and north as far as Buckner. Using their gap analysis, Retail Strategies has identified that our city is lacking in clothing, lifestyle (general merchandise and food and beverage) and grocery. The opportunities for retail recruitment are predominantly along I-70, 7 Hwy, the 7 and 40 intersection and then key interchanges at Woods Chapel and Adams Dairy Parkway. Mr. Mallon discussed that the City has had a history of being the first city in the metro to get new restaurant concepts, and Retail Strategies is using it to establish the City's unique market position. The company sets a three-year timeline from the idea to opening of a business. Mr. Mallon stated that when working with retailers and developers in Planning, that his team tries to meet the timeframes they want to work in. Member Vermillion stated that that message would be great to get out to new developers and retailers. Member Lair stated that if the Fire Department is slowing Planning down that they can speed up their process. Mr. Mallon stated that is not the case and that it is an old perception. Member Sampson asked where the grocery store would go. Mr. Mallon stated there is a demand in and around Woods Chapel and I-70 area from a public perception standpoint. The population headcount isn't there according to grocers we have talked to, however, the apartment complex that going in at the northeast corner of I-70 and Woods Chapel will raise the population in that area, so a grocer may be more likely to want to come in there. Member Sampson asked about putting a grocery store on the south end. Mr. Mallon

said that is the next big area to push for and that the area Lowe's and Walmart previously wanted to build by Colbern and 7 would be the prime area.

B. REQUESTS FOR PROPOSALS

Senior Director Mallon discussed the City's property located on Adams Dairy Parkway just south of St. Luke's Medical Center. Mr. Mallon showed what was sent out to developers and discussed what the City is looking for with that space, which is retail, mix-use, and possibly high-end high-density residential. Member Shaver asked when the RFP was released. Mr. Mallon stated it was released July 16, and the return date is October 18. Member Sampson asked if we will be giving incentives and Mr. Mallon stated that in the RFP it is stated that a preference will be given to those who do not solely rely on incentives.

C. DOWNTOWN MASTER PLAN UPDATE

Mr. Mallon discussed the Downtown Task Force's goals. The Task Force presented to City Council on Monday and 3 motions were adopted. The first being an RFP for the lumberyard property owned by the City. The RFP will go out in September. The second being working on Downtown Streetscapes. The Council wants the City to engage with a design consultant to look at the streetscapes and infrastructure to design new sidewalks, parking, infrastructure improvements and the entrance feature on the east side. The last motion is to work on Central Park. Council wants to engage a design consultant to have a design created using the "Gathering Concept".

D. ECONOMIC DEVELOPMENT MANAGER

Mr. Mallon then discussed the update of the Economic Development position. The City is interviewing the finalists on Thursday with City Council to get their input and make sure they are a good fit. The hope is that an offer will be made in the next week or two.

E. RULES AND PROCEDURES

Mr. Mallon went through the rules and procedures and asked that the members sign in acknowledgement of understanding the rules and procedures.

NEXT MEETING

The next meeting of the Council will be Wednesday, October 16, 2024.

ADJOURNMENT

At 9:16 a.m. there was no further business to come before the Economic Development Council, Member Lair moved the meeting be adjourned. The motion was seconded by Member Vermillion and carried unanimously.
