REVIEW OF NEIGHBORS IN NEED SURVEY

Survey results were reviewed from the inventory survey created by City Administration. The Task Force members decided to gather more input for review at the next meeting of the Task Force in August.

Additionally, the Task Force discussed the potential for a Neighbors In Need Forum to be hosted by the City in October. This forum would be an opportunity to invite regional groups and stakeholders who work with vulnerable populations to explain the purpose of the Task Force, as well as collect additional inventory for the survey. Presentations from Jackson County Public Health, Blue Springs Community Service Bureau, and Centerstone would be features of the forum. Task Force members were instructed to send contact information to City Staff to begin compiling an email list for the event.

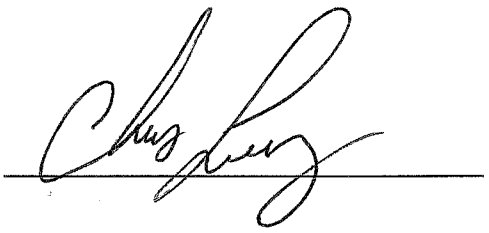

It was established that the next meeting of the Task Force would be August 12, 2026 at 2:00 PM.

At 2:46 PM., there was no further business to come before the Task Force, members moved unanimously to adjourn the meeting.
